

14 Inch Flip Tool

Versatile wand for hard floor cleaning.

- » Increases productivity while cleaning tight corners and small areas.
- » Dual head design features a spray jet and heavy-duty scrub brush on one side, with a squeegee vacuum head on the other for efficient hard floor cleaning.
- » 360 degree rotating head allows easy use of either side of the tool by simply flipping it over.
- » Quickly converts any Windsor carpet extractor into a powerful hard floor cleaning tool.
- » Brush has three rows of rugged polypropylene bristles angled to get into tight grout lines and corners.

Performance Features

Three rows of angled polypropylene bristles increase productivity while cleaning tight grout lines and corners.

Converts any Windsor carpet extractor into a powerful hard floor cleaning tool.
